

IT'S NOT THE MOST GLAMOROUS PIECE OF EQUIPMENT IN YOUR COMPANY, BUT YOU'LL LEARN TO APPRECIATE WHAT THIS LITTLE BEAST DELIVERS: SOLID, LOW-MAINTENANCE RELIABILITY AT A GREAT PRICE. THAT'S A LITTLE THING WE LIKE TO CALL 'VALUE'.

**7 Year
Limited Pump
Warranty**

HYDRAULIC PUMP

With quality German design and a foot release pedal for ease of operation, the pump features an overload by-pass valve and a special lowering valve allowing for a controlled rate of descent - all backed by a 7-year limited warranty.

STEERING & ROLLERS

Features a 210° pivot action handle, helper rollers, and ball thrust steering for greater maneuverability; as well as polyurethane or nylon rollers with sealed bearings for reduced maintenance.

ADJUSTABLE PUSH RODS

Adjustable push rods allow for individual adjustment capability at either fork height.

FORKS

One-piece heavy gauge steel construction with reinforced tapered ends allows for easy pallet entry and unbeatable durability.

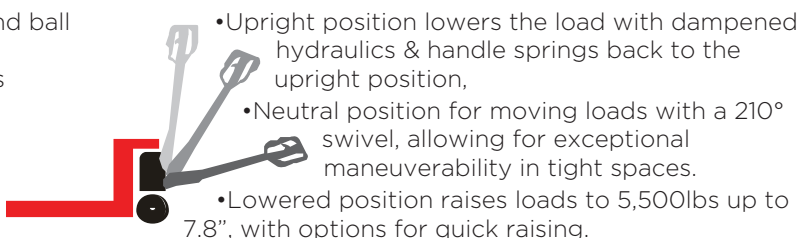

GREASE FITTINGS

12 Grease fittings allow easy maintenance for years of trouble-free service.

FRAME

A rugged heavy-duty frame constructed of one-piece formed channel steel offers incredible strength, with the selection of powder coated, galvanized, or stainless steel finishes to suit any application.

3 POSITION HANDLE FOR SAFE & EASY USE
